THE GLOSS AND THE MERRION WINE SOCIETY
invite you to our first wine dinner of 2013
deliciously addressing an enduring gastronomic
dilemma: which wines to choose for spicy foods.

On Wednesday April 24

The Gloss wine editor, Mary Dowey and the talented
chefs of The Merrion's Cellar Restaurant invite you
on a journey through some of Asia's most exciting
cuisines, matching superb wines with dishes ranging
from delicately spicy to challenging hot.

Tickets are €90 each

which includes six wines (presented by Mary Dowey)
and six courses. Wines can be ordered by the case
at special prices. Gift vouchers are also available -
perfect for any wine lover.
