Luxurious surroundings, a relaxed and tranquil atmosphere and state-of-the-art equipment; these are the elements that combine to make the Tethra Spa at The Merrion one of the finest in Dublin.

The name "Tethra" comes from a group of stories in early Irish literature in which the chief motif is the Promised Land, also known as 'The Land of the Living' or 'The Land of the Young' - or 'Tethra'. In this Irish Other World there is neither sickness nor death, happiness lasts forever, and to wish for something is to possess it.

The Tethra Spa, a place where the stresses and strains of everyday life fade away, has been named in honour of this Other World.

A beautiful 18m swimming pool set in French limestone is the focal point of the Tethra Spa. At one end, a spectacular trompe l'oeil mural depicting a neo-classical landscape creates a feeling of distance and space. The swimming pool features an environmentally friendly ozone filtration system.
